

CUSTOM 2-LAYER THROW

INDUSTRY: Realty

END USER: Home buyers

OBJECTIVE: This realty company wanted an item to present as a thank you to new home buyers.

ITEMS: A custom, fringed cotton throw in two-layer design. Combines natural cotton with one other color, giving the appearance of up to 3 colors, depending on the design. This throw is 100% cotton and made in the USA.

RESULT: The client wanted an appropriate gift to present as a thank you to new homebuyers — something for their new home that could be decorative and useful. The realty company decided upon this luxurious cotton blanket and created an intricate design on a two-layer cotton throw.

RESPONSE: A beautiful gift that serves its purpose — this stunning and timeless cotton throw makes a wonderful accent piece in the home and is a gift that can be used, enjoyed and remembered by all that received it.
